Well, the thread title says base it off the flag, so that shouldn't matter.

I am an internationalist, geolibertarian anarcho-futurist with syncretic egoist and Marxist tendencies. I consider authoritarianism to be intrinsically and irrevocably evil regardless of the authoritarians' intentions or economic inclinations. I do not recognize any law, government, border, or claim to private property.

I don't believe in kink-shaming unless your kink is submitting to the state.
