We follow the German law, where breaking out of prison itself is not a crime. However harm to other persons or property while doing so very much is.

Five-generation capital punishment (you, your siblings, children and grandchildren (your and your siblings' ones), parents and grandparents will be punished).

Throwing an alive rooster at YL while he's giving a public speech and calling him "rooster".
(one of the events which started the revolution, in Ludoslavia).

Yabari throws a banana at you and calls you a banana. After a minor security evaluation, you get released basically scott-free, although you did end up making Yabari even more popular in the process.

Invading BN with a huge army of cavalry, cannons, pikemen, archers and swordsmen and enough rations and supplies to conduct a year-long campaign
