What Music Are You Listening To? (Vol. XV)

by **Cosumar** » Tue Aug 15, 2017 3:52 pm

WHAT ARE YOU LISTENING TO, NS?

XV

With the 14 of these babies in the books at 500 pages and the last taking close to *EXACTLY* the 12-month goal set by [Minoa](#) when it was posted, I've taken it upon myself to now present to A&F the super-duper 15th edition of *What Music Are You Listening To?*. I'll set a goal of 11 months this time. Gotta keep improving!

Anyways, this is a hangout thread where we post and discuss whatever song/band/album you're currently listening to. It's always cool to sample what fellow NSers are listening to and it's a great way to maybe meet a few who have similar tastes.

Commentary and details about the song you are listening to are encouraged. Please refrain from posting several times in a row if no one else is posting in between. That is considered spam. You can always edit your latest post to add a new song.

Example:

I'm listening to Avantasia's "Mystery of a Blood Red Rose" from *Ghostlights* (2016). Solid rock opera track.

Previously in *What Music Are You Listening To?*

God's Gonna Cut You Down by Johnny Cash

The Liamese Empire is a Conservative, Imperialist, Celtic nation with a large Christian population.

P.S. The symbol on my flag is not the triforce, It is supposed to be a symbol of the trinity, the star in the middle represents the Empire.
