Shadow Moses by Bring Me The Horizon. One of my favourite songs. I bought it the other day because it was cheap-ish on Google Play.

One of the only like 5 albums I "own" so far. If I counted the ones my parents own, there'd probably be quite a lot more, but eh. I don't really consider those "mine" like I do the 4 I have physically (I think?) and the 1 I have digitally, which my dad bought (And was only released digitally). Great stuff.
