Gojira - "Esoteric Surgery"

Progressive Death Metal from the album "The Way of All Flesh" (2008)

So far I am liking this album much more than *"From Mars to Sirius"*.

Elton John - Sacrifice

From *Sleeping with the Past* (1989)

Cold, cold heart

Hard done by you

Some things lookin' better baby

Just passin' through

And it's no sacrifice

Just a simple word

It's two hearts living

In two separate worlds

But it's no sacrifice

No sacrifice

It's no sacrifice at all

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Elton John - I'm Still Standing

[Live performance](#)

*Don't you know I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind*

*I'm still standing yeah yeah yeah
I'm still standing yeah yeah yeah*

Elton John - I Don't Wanna Go On with You Like That
From *Reg Strikes Back* (1988)

*I guess this kind of thing's just in your blood
But you won't catch me carving up my love
I ain't no puzzle piece that needs to fit
If it takes more than me let's call it quits*

*'Cause I don't wanna go on with you like that
Don't wanna be a feather in your cap
I just wanna tell you honey I ain't mad
But I don't wanna go on with you like that*

Billy Joel - Movin' Out (Anthony's Song)
From *The Stranger* (1977)

*Anthony works in the grocery store
Savin' his pennies for some day
Mama Leone left a note on the door
She said, "Sonny, move out to the country."*

*Oh but workin' too hard can give you a heart attack-ack-ack-ack-ack-ack
You oughta know by now
Who needs a house out in Hackensack?
Is that all you get for your money?*

Paul McCartney - Wanderlust
From *Tug of War* (1982)

*Light out wanderlust
Head us out to sea
Captain says there'll be a bust
This one's not for me*

*Take us from the dark
Out where we can see
Captain's out to make his mark
This one's not to be*

*Light out wanderlust
Help us to be free
Light out wanderlust
Do it just for me, wanderlust*

Bee Gees - You Win Again
From *E.S.P.* (1987)

*You better beware, I swear
I'm gonna be there one day when you fall
I could never let you cast aside
The greatest love of all*

*There's no fight you can't fight, this battle of love with me
You win again, so little time, we do nothing but compete
There's no life on earth, no other could see me through
You win again, some never try but if anybody can, we can
And I'll be, I'll be following you
Following you*

The Clash - Lost in the Supermarket
From *London Calling* (1979)

*I wasn't born so much as I fell out
Nobody seemed to notice me
We had a hedge back home in the suburbs
Over which I never could see*

*I heard the people who lived on the ceiling
Scream and fight most scarily
Hearing that noise was my first ever feeling
That's how it's been all around me*

*I'm all lost in the supermarket
I can no longer shop happily
I came in here for that special offer
A guaranteed personality*

Michael Jackson - Man in the Mirror

From *Bad* (1987)

*As I turn up the collar on
My favorite winter coat
This wind is blowing my mind
I see the kids in the streets
With not enough to eat
Who am I to be blind?
Pretending not to see their needs*

*A summer disregard, a broken bottle top
And a one man soul
They follow each other on the wind ya know
'Cause they got nowhere to go
That's why I want you to know*

*I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you want to make the world a better place
Take a look at yourself, and then make a change*

"Nauthir Bleeding" - Enslaved

Are these "human rights" in the room with us right now?

☐ ☐ Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties ☐ ☐

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

U2 - One Step Closer

From *How to Dismantle an Atomic Bomb* (2004)

*I'm 'round the corner from anything that's real
I'm across the road from hope
I'm under a bridge in a rip tide
That's taken everything I call my own*

*One step closer to knowing
One step closer to knowing*

*I'm on an island in a busy intersection
I can't go forward, I can't turn back
Can't see the future, it's getting away from me
I just watch the tail lights glowing*

*One step closer to knowing
One step closer to knowing
One step closer to knowing
Knowing, knowing*
