I think of US or France...

Skyhooked is MT/PMT with a few FT elements. Military is factbook only. NS stats are mostly non canon.

Spain?

This Nationstate is not fascist, we condemn fascism and are a Non-Aligned country.

We are socialists, as our government cares about its citizen, offering free

healthcare and helping citizens in need.

This nation reflects some but not all of my IRL political views.

Long live Kalabrien! Long live The Confederacy of Aligned Nations!

Andorra.

Im invincible, you may delete my main account, I still have the others.

Delete them if you want, I will create more nations.

Ban my pc to enter in NationStates, (As you tried to do) Ill a solution. (As I did)

Ban me again, and again, and again, and as many times as you want, that I have more computers.

Ban those computers! That people are in my side.

Ban them if you want just for beeing with me, that neutral people will join my movement.

Ban them also, that even your own supporters will support me.

BAN EVERYBODY, BAN NATIONSTATES, BECAUSE YOU CANT BAN HISTORY, AND I WONT BE FORGOTTEN.
