"Not our body and our muscles make us strong. It is our will to survive, to defend our family and the ability to love. Those are the things which make us even stronger than everything else. THIS is strength! No computer, intergalactic race or animal will defeat the zakesh race as long as we have this fires in our hearts burning!"

If you use the term SJW or 'politically correct' to describe anyone left of center, I'm pretty sure that destroys all of your credibility as an intelligent human being. Quit being a twit and use something other than a buzzword to make your point.

Exit, Gorgoroth.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
