My nation's policies do not reflect my actual beliefs, rather closer but not exact to the polar opposite.

Would've liked to be known as Alexstralia but some old large nation took it

The Isley Brothers - *Twist and Shout*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.
