That would be determined by my financial status, but not likely

Freedom fighters according to themselves, a dangerous terrorist organization to the Federation  
Disseminating a corrosive ideology amongst the corrupt Cygnus Federation  
Piracy since even before founding, nothing says good times like space scurvy  
Some good fun, that doesn't represent my views, but I would hope you could discern that yourself  
This ain't my first NS rodeo

Nah. Whether or not I agree with their ideology aside, the fact that they're embroiled in an active civil war makes it an unattractive place to live.
