Heyo CAR

So, I have a quick question regarding the founding of your TAR relating to this (and since it's this thread, I have an excuse to be brief 🙄)

What made you want to found an MT version of your already made FT nation?
~~Also, I haven't noticed you browsing or answering stuff on CAR recently... Do you enjoy TAR more?~~

The Princessdom of Hyrule. A fanfiction based on the Legend of Zelda :: Twilight Princess that takes place half a decade after the conclusion of the game. A new caste of Hyruleans, no less the newly built army resent the old Guard and Princess-Sovereign Zelda for the surrender of the realm to the Twilight and the weakness of Hyrule from invasion...

Meanwhile, the Zora worry greatly about the militarization of Hyrule, and the Goron less so due to the Economic stranglehold of the Rupee of which they have as leverage.

Never again shall Hyrule fall, and never again shall we sully the name of Hylia under our weakness!

Dunno exactly, guess I just wanted to try fleshing out the CAR's pre-space age history. As for the CAR nation, I am enjoying fleshing out the modern era of the CARverse. ~~also the massive lore drift between both I am trying to avoid fixing:doomer:~~ Might eventually start working on the CAR again, but for now I'm enjoying the TAR, so, yes, in a way, I do.
