It depends on how the meat was acquired.

If it was purchased from a black market dealings, it's 5-20 years, varying depending on whether the cannibal in question was aware of what they were purchasing

If it was self obtained, (via murder for instance) then that is less a crime so much as grounds for insanity, and would likely be sent to a rehabilitatory asylum.

Market manipulation?

Impersonating a government official isn't really a crime as long as it's done reasonably (like parodying them) but the crime of not doing it reasonably is a 50 nut fine, and the disappointment of said government official.

Public intoxication - A dozen lashes.

Throwing up on someone's lap - assault I guess - 6-12 months in prison and/or up to two dozen lashes. May also be charged with public indecency - up to two dozen lashes.
