Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

Those songs must be quite short.

The average seems to be under 30 seconds and the longest is 4 minutes.

30 seconds is much too short for a song.

Children of the night
Sick Jacken ft Cynic

Yo,yo

At the age of 13 bro with the put in work team

I roamed with killers we lurk tryin' to merk fiends

Gang and church themes

Prayin' hands and virgin maries and mercenaries barely tryin' to learn things

A street life starts early in the dirty 30

You got young kids hustlin' and servin' murder

A kilo, a burner, a dealer, a solid earner

A kilo, a bird or be gone with these fast learners

Ain't no concern about what we doin'

We're out (?) in the streets of LA's Pico Union ruins

Where big G u-ens(?) clappin' you and anybody out at night cuz these kids packin 9-2ums

I knew the liquor stores that sold to the youth, by the time I was 9 I was drinkin' 80 proof

I was lost in the streets out searchin for the truth, but instead I found easy money and I learned to shoot.
