One of the few nation's with a frightening economy, without a single car. One of the most developed nations, but our government is corrupt as fridge. Tourist hot-spot, but the ruler Vindalbal II refuses to even put basic footwear on. Environmentalist, Nationalist, Vincaracist, Gladesville. PewDiePie is also a nasty person.
Reaches about 0.16695572432 on the Greenness Index.

Authoritarian one party constitutional monarchy

NS country in Europe, modern day. NS Stats aren't to be followed.

The Federal Republic of Libernia

Summed up:

Refugees fleeing wars in West-Central Europe. Colony controlled by the British then by the French. Declared its independence after WW2. Now a mix of British and French culture along with Mediterranean hospitality and Canadian tolerance.

High standard of living. Diverse society. Located in Asia Minor on the far edges of Europe. What is presently Turkey.

Confederal Republic

(Mostly because it reminds me of the Federalist Argentinian flag.)

Republic of Confederate American States and Syndicates

No, it is not the South. SU stands for 'States and Unions'.
The right acronym is RCAS. Please read the Factbook.
