Factbooks and dispatches (which are works in progress) are the primary source of information for my nation. I try to have my stats match my idea of my nation but I think policies are the stat I can control the most.

I don't dislike anyone here. Agree or disagree, we're all compadres. :-)

Somewhere in the US based on the humor they use and their good knowledge of the English language, although it could just be some random German who just knows English that well because that specific province seems a little bit too specific to just be a random coincidence.

Alright I'm bored, TG me ideas for [Political Parties](#), elections start February 4 so hurry up.
