These are good U2 songs you gave me. I like them.

U2 - Achtung Baby.

You're welcome. Will listen to those songs you mentioned as well, because I'm sick of Elton John for the time being. ☐

Also, Achtung Baby is an album, so it'll take you 55 minutes to listen to it all. ☐

Pearl Jam - Jeremy

From: Ten (1991)
Genre: Grunge, alternative rock

Yeah I know.

U2 - Zoo Station.

There is a reason for it. I'll have to find the video that stated Grohl's reasoning. I think it had something to do with their record producer at the time.
