Turn Baby Turn Feat. Ghostape - 80kidz

it's been the soundtrack of my past month, such an awesome song, very Daft Punk like.

"If you're good at something, why do it for free?"

Tha Lost Tribe

My favorite song and the song I relate to the most

"what I believe is like a box, and we're taking the energy of our thinking and putting into a box of beliefs, pretending that we're thinking...I've gone through most of my life not believing anything. Either I know or I don't know, or I think."
- John Trudell
