Monkey 3345 was shot three times with an M1911 for having the two two-digit numbers making up his ID tag, 33 and 45, be both divisible by 3.

Last edited by **Piste-Land** on Mon Sep 21, 2020 6:58 pm, edited 2 times in total.

Monkey 3344 was disposed of because he had a sequential number, specifically, the numbers 33 and 44, both of which are divisible by 11.

Monkey 3343 was the subject of a psychological experiment, and euthanized after the experiment was over and the data collected.

Martin 3336, upon realizing the greatness of his number, attempted a self-coup and ended up getting shunned by everyone. He decided to insult Lucas Kasketal, unfortunately, on a day when everyone felt like insulting Lucas Kasketal.

He has not been heard from for over fifteen months.

Monkey 3333 was shot 3 times with 3 .30 cal M1919 machine guns from a distance of 3 meters. When he died from the gunshots, his corpse was thrown out of the third floor of the last remaining Monkey Co. outlet, Monkey Co. Three.

Monke 3332 lit Monke 3333's corpse on fire, then tossed it back into Monke Co. 3: Electric Jamboree (Bern, Switzerland) because he felt his fellow monkes needed to reject humanity and returned to monke. Unfortunately, this worked a little too well on him and he contracted simian Ebola.

Monkey 3330 tried to travel back in time to take the place of Monkey 3333 and earn that monkey's distinguished title. However, he promptly discovered that time travel, while possible, involves some nasty work with virtual particles that resulted in his fizzling out into nonexistence.
