Appalachia

(hehe)

**Welcome to the United States of South Appalachia**

*An independent early-1980s era American South, centering around the Appalachian cultural region.*

**PLEASE read factbooks before judging based on flag (unless a forum game instructs you to judge based solely on the flag), thanks.**

The screenshot shows the Ex-Nation game interface. At the top, a chat window displays the message: "So the CCP won't let me be or let me be me so let me see, they tri". Below the chat is a nation card for the "PSA". The card has a green "Civilization Index: Class 9.28" at the top, followed by blue text: "Tier 7: Stellar Settler | Level 7: Wonderful Wizard | Type 7: Astro Ambassador". The main body of the card contains the text: "This nation's overview is the primary canon. For more information use NS stats." The card is flanked by two smaller "PSA" icons. A small "Q" icon is visible in the bottom right corner.

Consider this my friends. Is Muffin = Cupcake - Icing?
