Beats Antique - Junktown

Has nothing to do with the town in Fallout, unsurprisingly.

Depressing Nordic semi-socialist commonwealth filled with
Lovecraftian horrors, man-eating fox people, Finns, bizarre accents,
Saabs, and Volvos.

A collection of some of my NationStates artwork.
On the Commonwealth National Security Bureau.

Simple Minds - *Don't You (Forget About Me)*

Album: Celebrate

"Don't, Don't, Don't, Don't!"

Has a price of 20,000 dirham on his head.

"Sir Issac Newton is the deadliest sonofva bitch in space."
