I'm frankly insulted tbh! my face is pale and gahstly! I cannot believe you would call me such a terrible thing! I am on life support in the hospital because of this! I am so intensely deeply offended! why would you such an insulting thing?! what did i ever do to you?! I hope you grow and change as a person because this is simply unacceptable! I cannot believe I am being treated like this! You have committed the equivalent of burning a dog alive in a car! that is how I feel about this brutalist treatment of my precious femininity! I am a feminist and I will not allow myself to be subjected by the patriarchy and treated like this! this is patriarchal terrorism! You have torched my soul and violated my consciousness! I must avenge this travesty committed against me! Why do you hate me so much?! You have committed terrorism against my soul! my dog is in tears because of you! I feel that I may have to call my family to prematurely arrange my funeral because your sin has pushed me almost to death! my dog is crying and is refusing to eat his human meat kibble! this is what you have done to me and my loved ones! please consider the effect your words may have on people because no ones wants this to ever happen again! I hope you realize how much distress you have caused me! I am so intensely distraught, I am shaken to the core! my dog is going to explode the core of the earth if you don't apologize!

Dearly beloved, reforms have failed miserably, it's time for a new approach, one that'll skyrocket the economy. We'll be giving up democracy but that is something I'm willing to do.

Admiral Johnson, allow the crusade against communism to commence.

Yknow, I'm gonna give this a serious answer: When you're bored, you should take the time to be thankful, because that means that your life is peaceful enough that you *can* be bored.
