CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

as I stated earlier, I've been listening to a local band called Cowboy Mouth. My favorite song right now of theirs is called "I Believe". It is off of their "Fearless" Studio Album.

It goes something like this.

What you gonna do with the restlessness inside your worried mind?
How you think you're ever gonna get ahead when you feel so far behind?
Step inside this endless moment for a subtle touch of grace,
I've always found my strength inside the act of faith.

I believe in the spirit of rock and roll,
In the eternal strength in the immortal soul.
'Cause sometimes everybody's gotta let it go,
I believe in the power of love.

I believe in the sound of Sam and Dave
That little children should occasionally misbehave.
That all that you get is all that you gave,
I believe in the power of love.

Little boy staring out a window sill to a world that doesn't care.
Everybody 'round is so much bigger, they don't even know he's there.
But one day he's gonna grow to be a man, and maybe then they'll see,
He'll provide the hope and care for the family.

I believe in the chance of love at first sight,
That your life doesn't always have to be a fight
And if you do it at all, you outta do it right
I believe in the power of love.

I believe that sometimes you gotta take a stand.
That you're holding my heart when yer holding my hand
'Cause everything eventually is in god's hands
I believe in the power of love.

I have got to take the best of me and keep that part alive.
Why'd I ever want to shut that down and kill my soul?

I believe that sometimes you gotta take a chance,
That you can't live yer life just listening to cant's
'Cause the thrill of the ball's part of the thrill of the dance
I believe in the power of love.

I believe that we're never really all alone.
'Cause there's so much more than anything we've known
New Orleans is always gonna be my home
I believe in the power of love.

I believe in the spirit of rock and roll,
In the eternal strength of the immortal soul.
'Cause sometimes everybody's gotta let it go,
I believe in the power of love
I believe in the power of love
I believe in the power of love

I remember deadmau5 and Kaskade. Kind of weird listening to it on a baking hot day.
