Fascist or neo-fascist authoritarian police state.

Alternate, breakaway region of North America ruled by an incel regime. Some national information might be upsetting or triggering to those who forget that it's imaginary.

This nation doesn't reflect my RL views....mostly.

Clerical fascist state not unlike Austria (under Dollfuss or Schuschnigg) or Portugal (under Salazar and Caetano).

Alternate, breakaway region of North America ruled by an incel regime. Some national information might be upsetting or triggering to those who forget that it's imaginary.
