The most severe punishment is life imprisonment for terrorism, and those countries that are recognized as terrorist countries cannot travel to the country for life. The mildest punishment is a fine of 100 Orleans (\$10) for speeding. The death penalty has been abolished since the beginning of the emergence of the country.

Four to six years in federal prison. The sentence becomes 1.5 times longer If the immigrants were mistreated, sexually harassed, sexually assaulted, or grievously injured. If any immigrant is killed, it is considered homicide, which carries a maximum penalty of life imprisonment.
