Jimi Hendrix - *Star Spangled Banner*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

MGMT - Me and Michael

Not everyone can be  
Like me and Michael~

In every scene  
It's me and Michael~

Me and Michael  
Solid as they come  
Me and Michael  
Its not a question now  
Me and Michael  
Solid as they come  
Me and Michael  
Its not a question now~

Pretty sure this song is about friendship, but my mind is gayifying it  
and I am sticking with it.

Boston - *Something About You*

[The United Settlements of Sitka - the land of friendly vampires, camaraderie, and cloudberry pie](#)

A small corner of the world in 1872. Set in the world of the video game *80 Days*, with supernatural beings mixed in. Several factbooks need to be redone. I'm socially awkward sometimes, and bad at keeping up with things due to life's hecticness, so I might not always be the best at roleplays etc.

*The Times*: Englishman Phileas Fogg departs London, having bet £20,000 that he can circumnavigate the globe in 80 days.

Local News: Karl Marx visits Sitka, is "impressed".
