To my knowledge you don't have any political parties. Please only reply if someone can reply to you

Anatoliyanskiy: Green party. Nice to see them go far, getting a decent amount of seats

I realise I've already replied to you so I'll give a bit more this time
Progressive Green Party as a properly left-wing party pushing for progressive
change, however, I recognise the Reformists are the only real opposition to
the right-wing. As such, I would have no problem with voting for the
Reformists if my vote would have a greater impact that way.
