Were abstaining an option, I would abstain. Otherwise, the Irony Party.

For AN: Probably the Libertarian Movement, although I also wouldn't mind the Extreme Liberation Action.

I hope you have enjoyed reading the factbooks for Occitania! As you can see, most are still very much works in progress, and so if you run into any errors or inconsistencies, or simply have any questions, please do let me know!

Look in my main factbook for detailed description of political parties, but here is a quick and dirty summary.

### Major Parties (represented in national legislature)

Progressive Justice Party: centre to centre-left Christian democrats

Nova Anglican People's Party: centre-right to right-wing Christian democrats

National Party: right-wing to far-right populist conservatives

Stewardship Party: centre to centre-left greens and indigenous interests

Libertarian Party: centre-right libertarians sand classical liberals

Liberal Secularist Party: broadly centrist social liberals, divergent views on economics

### Minor Parties (not represented in national legislature)

Equality: centre-left to left-wing social democrats, democratic socialists, feminists, LGBTQ+ interests

Democracy: single-issue electoral reform party (party-list proportional representation)

Socialist Workers' Party: left-wing to far-left Trotskyists

Dominionist Party: right-wing conservatives who want a completely Christian government
