Looks like a bayonet. Outdated technology. No true warfarer would put that abomination in their sig. A much better, more modern rifle would be this:

Pure perfection. Learn to see it.

Khoikhoia • The Khoikhois Republic • NS Stats and WA resolutions were jailed for war crimes they committed from 1974 to 1991
Liberty, Equality, Union • **Liberdade, Igualdade, União**
"Land of the Adventurous" • Crime-filled alcohol-free Portuguese-English South African democracy weedfest, not too bad • Flag's not canon
Pinto da Costa, thank you for your service, but it's time for someone else now.
