What government AN has? (Judging from flag) Just your average interstellar, absolutist monarchy, with center-right economical, and right wing social stances.

We do not use NS Stats, policies, or otherwise. Plesse only judge us by what is in our factbooks.

Commonwealth is a traditional English term for a political community founded for the common good. Historically it has sometimes been synonymous with "republic". The noun "commonwealth", meaning "public welfare general good or advantage", dates from the 15th century. Originally a phrase (the common-wealth or the common weal – echoed in the modern synonym "public weal") it comes from the old

meaning of "wealth", which is "well-being", and is itself a loose translation of the Latin res publica (republic). The term literally meant "common well-being". In the 17th century, the definition of "commonwealth" expanded from its original sense of "public welfare" or "commonweal" to mean "a state in which the supreme power is vested in the people; a republic or democratic state".

no clue why the brits named the commonwealth of nations that way but commonwealth doesn't imply colony
