Stevie Wonder – Pastime Paradise

\*that moment you accidentally find the original song that one of your favorite songs turns out to have sampled\*

Coolio's *Gangsta's Paradise* sampled this song I guess. ☐

So I only have 4 metal bands, 3 hip-hop bands/artists, and 1 industrial band left to go through....

Actually, wait, there's another, too, but not really on the top of my

New York Times  
Democracy

priority...

And I don't feel like listening to any of them...

Battles-Atlas

*People won't be people when they hear this sound  
That's been glowing in the dark at the edge of town  
People won't be people  
No the people won't be people when they hear this sound  
Won't you show me what begins at the edge of town?*

*The singer is the crook  
Whoa ey oh  
The singer is the crook  
Whoa ey oh  
The singer is the crook  
Whoa ey oh  
The singer is the crook  
Whoa ey oh  
The kitchen is the cook  
Whoa ey oh  
The scissors are the barbers  
Whoa ey oh  
The chorus full of actors*

Math rock with heavily tweaked vocals has weird lyrics.

My dad posted it...so I clicked it...

I think some of Avril Lavigne is at least tolerable, but that's like, Girlfriend bad, if not even worse than that song.

Anyway, listening to nothing because I'm watching Anthony Fantano stuff.
