No.

A Marxist-Leninist socialist revolution, led by the Scarlet Sisters, happens in Gensokyo! Now, what's next? How will the Spellcard Rules and the relationship between the youkais and the humans change under a Marxist paradigm? How will the need to gather faith be reconciled with Marxist dialectical materialism? And will Marisa and Reimu again come and rescue the day? Will this simply be hushed up as another "Incident", or a permanent change for Gensokyo?

Very dependent on whether or not these bubbles hold natural environments and wildlife. If so, then I would say yes, otherwise I could not see myself living there.

They do, the ones which aren't cities are beautiful and verdant oases. I'll add that to the factbook...
