Oh yes, I would love to live on a spaceship that's fighting for free will itself.

My nation - which is pretty much just a unified Korea with some extra territory - represents my real views, as does pretty much anything I say on the forums. NS stats only broadly representative. Feel free to call me Q&K, Quartia, or any other nickname.

Too much philosophy than I can possibly handle.....I will let it pass,although a Trotskyst nation seems tempting.

NS Stats are not canon(See factbook for more info). Nation does not represent RL views. IC Name for all other RPs: Union of Soviet Socialist Republics. IC Name for NS Sports ONLY: Sannyamathland. Currently undergoing major restructuring. So factbooks and other settings may change.
