Everybody's Got Something To Hide Except Me And My Monkey - Beatles

Needless to say it's been too long since I listened to Beatles and I'm actually crying. It's definitely the best band ever.

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Joe Bonamassa - *I Get Evil*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Electric Light Orchestra - *Don't Bring Me Down*

Land of adorkable 20-somethings, mythical-creature worship, salty Prime Ministers & weirdly-massive buildings.
