I've only had a direct interaction once or twice, but that post count tells all - this is somebody who enjoys much fame, I have no doubt.

Daughter nation of [The Unified Provinces of Rhanukhan](#), originally created during the course of roleplay events back in 2008. The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.

Typically as the nation itself - not really, they are just kinda starting off ! However, with reference to that sig, then yeah it's a pretty cool 8/10. :3

Decently well enough, I'd imagine. Fairly active on the F7 forum. 7/10.

Solid 8/10. Known throughout the F7 forums, but not quite as much outside of them.

Already based on the age of AN and the amount of posts, I can say that they are definitely well known. I say 10/10. Older users are much more known around the forums.

Not very well know, 4/10. Their post count is very low, and they aren't an old nation either, though it is possible the player is more well known, if they have other/older nations as well (I am getting vibes of just the latter off them).

I see them around occasionally, but based on their post count and newness, likely not all that well-known in comparison to some other members of these forums.

They/Them.

Most likely writing some RP Post in the background at all times.

Well known on the F7 scene. Otherwise, not very known outside F7. 5/10.

I'd also say around 8-9/10, especially since they are so recognisable

The **People's Republic of Hussija** stands as a united **Hussite socialist** country in Central America.
The **Party for Socialism and Salvation** leads this Christian workers' state since 1975.
