The Osean and Belkan Alliance

"Osea, Belka, now united as one."

A world where Belka fell into a civil war after the Belkan War, Osea and Belka unite as one nation and one alliance, and no they aren't scheming, they watch in silence as Erusean radicals are gunned down.

For real though, this probably means AN is a big fan of the different styles blending together and is intrigued by the idea of a more modern style roman legion. Or at least, modern by comparison to Roman times.
