"Insight-Down" - Kadavrik

Are these "human rights" in the room with us right now?

☐ Professional pessimist. Reactionary socialist and gamer liberationist. Coffee

addict. Fun at parties ☐☐  
Freedom is when people agree with you, and the more people you can force to  
act like they agree the freer society is  
You are the trolley problem's conductor. You could stop the train in time but you  
do not. Nobody knows you're part of the equation. You satisfy your bloodlust and  
get away with it every time
