[Portal 2 Soundtrack-Love as a Construct](#)

Compared to Portal 1, they made Portal 2 a very musical game. Everything made like musical sounds, and on the full soundtrack they turn the sounds that the friendly faith plate, companion cube, lasers, and so on make into full songs.

People liked Portal 1 more because it was darker, but I loved Portal 2 for its humor, longer game, and so on. I believe it was a day 1 buy for me.

Cradle of Filth - Forgive Me Father (I Have Sinned)

I give up. Cradle of Filth is the best band and there will never be another like it no matter how much I search. Damn my perfectionism.
