I don't believe "Russia invaded because evil"

Russia invaded, and Russia is evil, but they invaded for expansionism and because they don't consider Ukrainians human, not evil

EC to deploy 5,000 more troops to Finland in light of recent Finno-Russian air skirmish.

Can't you skip to the part where the brave 'voluntary army' of blonde and blue eyed Americans liberate Russia and divide it into a dozen of totally stable and self-sufficient countries. Smh.
