Monkey 4924 decided to make his own damned, hyper-politival forum. With blackjack and hookers. Max Barry paid some stupid kid three whole dumdums for what the kid called the "Harambe Trwatment". All we found in the end were dirty wrappers.

Be silent. Be not still.

Monkey 4922 decided to create a nation simulator with the help of Max Barry to promote his book. Max Barry donated his iphone 1 to the monkey to host the server. Then many users joined and the iphone 1 exploded, killing the monkey.

Monkey 4919 disliked his number so much, he changed it to 777, but then was denied food credits.

Monkey 4914 stayed up far too late for his bed time, and refused to go to bed
when asked. He was rightfully punished by the state.

Monkey 4910 was filled with remorse at what he had done and wasted away.

Monkey 4905 thought it would be cool to manifest a necrotic spirit, turning them into a lich.
Lich 1 then began to annex all territory nearby, provoking a group of murderhobos to venture into their dungeon and kill them by disregarding the turn-based fighting system.

Monkey 4901 led a rebellion in monkey republic and told 4900 that he could rule the 3 reich of the monkian empire. The rebellion went amazing, so amazing that they won. Unfortunately 4901 died? No one would forget what he did, before he died he sent agent deez (4899) and agent joe (4898) to kill the dogian king and the dark knight. Those were his last words before he was shot by monkey 433 from an alternate timeline.
