Frankly, I like the small flag in the left side of the signature. It's a nice decorative inclusion that makes it much more enjoyable to look at overall.

**PRINCIPALITY OF MARELAND** • *The highlands of northeastern Equestria are home to the realm of the Marelanders; stoic and in unique possession of a military character, these ponies seemingly live in a more ancient time, ruled and judged by strict custom and hierarchy. Their governance lays in the hooves of clan leaders united under a common warlord called the Bestirmend, judged according to a gnostic practice they share in common.*  
- Except from *An Explorer's Guide to Equus: 5th Edition*

The Herald:

A flag with green, white, and red vertical stripes and a blue circle with a white eagle in the center.

All of it is just so unique that I can't choose a favorite part.
