Ancient Bards - Through My Veins

I support peace in Israel and Palestine. The governments and people in power on all sides are an absolute disgrace, and their unwillingness to pursue peace is a disservice to the people they are meant to be serving. The status quo is not simply untenable; it is unquestionably unacceptable.

I'll listen to MCR after this song by my favourite band, which happens to be melodic punk. It surprises people that my favourite band is of a genre I rarely ever listen to.

I was gonna say...

Hmm...my guilty pleasures....

Uh, Lorde maybe? Though she's not nearly as much of a guilty pleasure as some things could be...

I'll get back to you on that ☐

There is nothing to feel guilty about. It's a good song.

them credit for at least varying quite a lot because I don't think I've heard a single song of theirs that sounded the same as each other. It's like I can't completely diss them, but I don't like them, either.
