not allowed to edit documents

Hey, I exist (*occasionally*). I usually stick to the game (trading cards, answering issues, etc) but in the rare* occasion I feel like making a post, I'll be here. I also have tendencies to howl at the moon and can sniff out 'fendas from up to 30 miles away.

Any complaints? Discord: Humanish#8937 - Telegram for other socials

November 18, 1702 (or in Trossi, Umarumpalan Umarak, Umseinudi

We'll see how long THAT translation lasts in common usage.

Godulan Puppet #2, RPing as technologically advanced tribal society founded by mongols and vikings (and later with multiple other Asian and Native American cultures) motivated by an intrinsic devotion to the spirit of competition. They'll walk softly, talk softly, and make soothing noises as they stab you in the back and take your stuff... unless you're another Caleshan, whereupon they'll only stab you in the back *figuratively*!

Used NS stats: Population. That's it. Anything else not stated in the factbooks is not used.
