That's kind of...eh what the heck.

IC Name: **United States of America**

Wassup I'm the United States of America if America were still Republican since the Reagan administration. This is like the United States in real life except kind of alternate history; the United States keeps electing Republican candidates between 1989 to 2017 under the Trump administration. This represents my beliefs in televangelism, American-made guns, Republicanism, inability to read a Bible and be a true Christian, irrational xenophobia, vanity, insecurity, homosexual-in-denial etc.

OOO Beliefs: I don't have any, I just have a general hatred towards politics. Annoyingly optimistic nihilist awaiting the horrible future lying before us all.
