Philip didn't really like his poorer subjects. Historical accounts record that he:

- Killed and repurposed their bodies as footstools
- "Mistakenly" gave them poison with the excuse that he mistook it for French fish soup
- Used them as ammunition for trebuchet target practice
- Employed them as the ball in the ancient sport of Bastardball
- Cooked and ate them in pies

Democrat Socialism is TRUE democracy, as EVERYONE is represented EQUALLY, not only the rich or conservatives.

To fly or to dive, onwards we strive! FP shall thrive!
