Pronouns are he/him if you care, tho I myself don't.  
I'm a Communist of the Marxist variety without specific labels, I am not a hardliner towards any specific ideology of Communism beyond having influences from several sources and I am in no way an advanced Marxist/Leninist/Luxemburgist/etc intellectual.

Always open to discuss privately with people aligning towards the Far-Right respectfully if they are to respect me back.

Nothing. For days. Except a few songs on the radio, mostly stuff I don't care for. I need to get money just so I have something to listen to while I'm out on vacation.

Hmm. That's actually pretty surprising.

Just curious - where are you traveling for your vacation?

From Friday to Tuesday I was at my cousins, and from Tuesday to Saturday I'm at my aunt and uncles. I don't really have good access to music right now.

Edit: Bellingham area in Washington state, to be more specific.
