I was skipped.

The Empire of Greater Tawantinsuyu

Imagine an alternate world where guns made their way to the Americas before Europeans did through a complex series of Polynesian trade networks.

Shockingly enough, this nation doesn't represent my views.

NS stats are a Spaniard conspiracy to steal your gold.

The UK

MT nation composed of people from every nation with a current Antarctic base. NS stats somewhat apply (despite them being generally stupid). I would use my factbooks but I'm lazy and haven't gotten around to it yet.

Antarctica is a pretty "cool" place.

I'm not sorry

United States

English is not my first language so if there are mistakes I deeply apologize. All the English I've learned is self taught. I work on it every day.

Denmark? Just a wild guess.

Pro: Atlanticism, globalism, classical liberalism, free trade, moderate nationalism, religion

Anti: Communism, fascism, anarchism, protectionism, extreme nationalism, fundamentalism (political or religious)
