Government to take new measures to combat low fertility: childless women will be taxed up to 25% of their income and no longer be eligible for social security.

Taxing aside, you could try the RL Singapore method. I don't know. □
Yes, we actually had an actual government-backed "Please make babies" campaign.

The place we called home, cradle of civilisations.

The place we lived, struggle, survive, hope, dreams.

Yet we are unintentionally destroying it for the cost of "prosperity".

Then the question will arise : what will we left behind when we all die?
