You're gonna love it. Blondie is awesome.

Duran Duran - Rio

Founded: 2480

Current year: 5001

Magic: Non-negotiable

Ponies: Yes, occasionally

Tech levels incompatible? Then kick me out of the thread, because if you RP with me you accept my tech.

Note: Before 2480, Olwe was called Athan. If you see this word in a thread, it's because you mentioned a year incompatible with Olwe in that thread but still made it open to all techs and therefore are allowing Athan's magic.

Duran Duran - Rio

I listened to some of their songs, I liked it. It's creepy how I actually heard their songs on the radio before without knowing it was Blondie.

Blondie- Heart of Glass

Blondie - Rapture

Because of Anollasia, I put on a Blondie album.

I find it interesting that this was apparently (or so I heard) the first rap ever, and it was done by a white woman.

Nomeansno - *Going Nowhere*

CVT Temp wrote:
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Blondie- Rapture

I heard this song at Tommy Hilfiger and I was like "Wtf? I can't believe how crappy music can be." But now my opinion changed since I now know it's by Blondie. □

"Incoherent screaming and shouting in some heathen language". A live concert performed by the drunken ERASMUS students partying directly above my head.

by Eleutheria » Sun Apr 29, 2012 12:03 pm

Jesus promised to rid the world of sin, Odin promised to rid the world of frost trolls, when was the last time you saw a frost troll?
