TETRADIMENSIONAL OVERWORLD isn't my IC name. This nation is pure unadulterated nostalgia, deal with it. Did you know that I wasted 400 million plus seconds of my life and you wasted more? Well, if I could go back to any age, I'd go back to the time when I was 11. Great times indeed. I'm an anti-communist, but I do love me some Soviet music.
Late childhood is the best part of childhood -- change my mind. People below 10 are in blissful ignorance so I'd rather avoid that. Blissful ignorance is not true happiness
