Lots of very interesting things in your factbooks, for some reason, whenever I see a communist nation I tend to look towards Americans, as a striking amount of Americans push towards this radical form. However, the way you spell October caught me off guard. Oktober. Who spells October with a k... This got me to do a little research like the detective I am. Who spells October with a K? The Luxembourgish! Therefore I classify you as a person, from Luxembourg! Friend! Good to see you!

Edit: Edited "socialist" to "communist" since it's a more general term.

Luxembourg or Germany, probably the Rhineland if Germany

My general location is in my sig so it should be easy for the next person
