I'm watching the euro cup on tv. It's half time though, so I guess I'm watching commercials.

Right now it's Dee Snyder doing a tune for Unibet.

Circle the Wagons, Darkthrone.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
